Arguments Against Rejections

Claims 1-13 and 16-41 are cancelled without prejudice. Remaining claims 14 and 15 were allowed in Final Office Action dated July 11, 2006.

New claim 42 was added which refers to allowed independent claim 14. As referenced patents neither describe nor claim nor suggest claim 14, new claim 42 is also allowable. New claim is supported by original specification and figures.

For the reasons stated herein, it is respectfully submitted that claims 14, 15, and 42 are in condition for allowance.
